TEE JAYS®

SINCE 1976

BASIC SINCE 1976

Since 1976 we have designed high-quality basics. It started with a passion for excellent materials and uncompromising comfort. Since then, we have created simple and timeless classics with well-thought-out designs that you want to wear again and again.

ONE-STOP SHOP

We offer One-Stop Shopping to our customers, so it is convenient and easy to do business with us.

1 MILLION PIECES IN STOCK

Our warehouse is 6.000 square meters, with more than 1 million pieces of garments ready to ship on a daily basis and distributed to our European dealers.

COLOURS AND SIZES

Our basic styles are available in promotional traditional colours and some even in a range of trendy fashion colours. The styles are available from S to 3XL, and some styles are even up to 5XL and in kids' sizes.

DAY-TO-DAY DELIVERY

We want to be our customers' first choice supplier, and with our large stock, we are able to deliver on a daily basis.

WE CARE

All of our styles are STANDARD 100 OEKO-TEX® certified and many of our styles are available in certified organic cotton and Better Cotton™ Initiative.

MADE TO LAST

WASHING TEST

We do washing tests of our clothes to ensure the best quality. We ensure that colour, fit, etc. lasts wash after wash.

COLOUR TEST

To ensure that you always get the same colour regardless of the style, we test and compare the colours before you receive your items.

FIT

The right fit is important, no matter the style. We measure, try and use the styles ourselves to ensure the best fit.

THE BASIC TEES

Our Basic Tees cater to men and women who want everyday comfort without compromising on style and quality. Made from high-quality ringspun cotton, these T-shirts are extra soft and durable.

STRENGTHS OF THE POWER SERIES

BASED ON ORGANIC COTTON

Our entire Power Series is made from premium-quality certified organic cotton. Organic cotton uses less water and less energy than traditional cotton production, and we care about the people wearing our clothing and the climate.

AVAILABLE IN JUNIOR STYLES

If you also need clothing in children's sizes, our Power Series is your go-to. In the Power Series, a Junior Power Tee and a Junior Power Hoodie are available in the same design, fit and colours as our regular Power Styles.

HIGH-QUALITY FABRIC

Our Power Series is made of high-quality material, and the fabric is excellent for printing and embroidery. To ensure the best quality the styles have been washed- and colour tested, so we ensure the right fit and colour wash after wash.

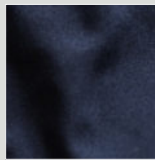

AN EYE FOR DETAILS – SMALL BUT SIGNIFICANT

Throughout our series, we focus on making high-quality styles where every small detail counts. The elegant Nordic and well-thought-out design, which characterizes our clothes, is the essence of TEE JAYS.

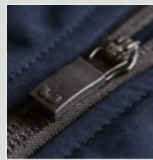

THE CLUB SERIES

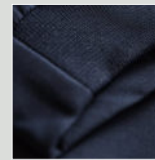

This Club series is made of high-quality recycled polyester. The clean and sporty design compliments both our sports attire as well as cooperate B2B, it will keep your look sharp and confident in any situation.

WE CARE

At TEE JAYS we recognize the huge responsibility we hold as a textile manufacturer. And we owe it to our planet and our next generations to do what we can to help foster positive change and promote a more sustainable way of making clothes. Clothes in premium quality that lasts. Within our range, you will find products made in

Organic cotton and Recycled polyester fabrics. In 2021 we also became a proud member of Better Cotton. And of course, every product is covered by STANDARD 100 OEKO-TEX®.

Our Code of Conduct is based on UN Global Compact's 10 principles which are based on internationally adopted

declarations and conventions on human rights, labour rights, environmental protection and anti-corruption. TEE JAYS does not own any factories, but we cooperate with suppliers that understand the importance of complying with the guidelines of our Code of Conduct about the ethics and behaviour throughout the supply chain.

TEE JAYS are a member of Amfori, the leading global business association for open and sustainable trade. Its mission is to enable each of its members to enhance human prosperity, use natural resources responsibly and drive open trade globally. TEE JAYS Participate in Amfori BSCI in order to better monitor and improve the social performance within our supply chains. We endorse the eleven principles of the Amfori BSCI Code of Conduct and recognize that improving working conditions in our supply chains is a necessity for the overall resilience and performance of our business.

TEE JAYS products are covered by STANDARD 100 OEKO-TEX® which is one of the best-known labels for textiles and guarantee that the clothing does not contain harmful substances. It is the world's leading independent testing institutes and regularly controls all testing for substances which are harmful to human health and the environment. Clothing that are certified by the STANDARD 100 OEKO-TEX® is subject to requirements covering pH value and the content of, for example, pesticides and heavy metals.

The Organic Content Standard/OCS verifies organically grown content and tracks it from the source to the final product. Products certified to the Organic Content Standard/OCS contain organically grown content that has been independently verified at each stage of the supply chain, from the farm to the finished product. The purchase of Organic Content Standard/OCS certified products demonstrates demand for organic agriculture. Organic cotton is produced and certified to organic agricultural standards, which require practices to sustain ecosystems.

The Recycled Claim Standard/RCS verifies recycled content and tracks it from the source to the final product. Products certified to the Recycled Claim Standard contain recycled content that has been independently verified at each stage of the supply chain, from the recycler to the finished product. The purchase of RCS certified products demonstrates demand for recycled content.

TEE JAYS are a proud member of Better Cotton and we are committed to improving cotton farming practices globally with Better Cotton. Better Cotton is sourced via a system of Mass Balance and is not physically traceable to end products. We are committed to sourcing 95% of our cotton as more sustainable cotton by 2025. More sustainable cotton includes Better Cotton and Organic cotton. Better Cotton connects people and organizations throughout the cotton sector, from field to store, to promote measurable and continuing improvements for the environment, farming communities and the economies of cotton-producing areas.
